

NPH USA
Raising Children. Supporting Families.
Transforming Lives.

Stay Connected

Now that you've met our children and experienced NPH firsthand, stay connected and continue making a difference!

Reflect on Your Trip

Share a reflection: Write a short testimonial about your time at NPH! We would love to share your experience on our blog and Facebook page. Please share a reflection with us, which could include a story of meeting your sponsored child, a description of your trip, or how this experience impacted you. Send your reflection directly and any corresponding photo to your regional contact.

Trip evaluation: We love receiving feedback to help us plan and improve future trips. To share your evaluation and help us continue to improve trip experiences, please visit www.nphusa.org/tripevaluation. If you brought any donations to the home and would like a receipt for tax purposes, please also use this link.

Make an Impact

Sponsor a Child: Our sponsorship program provides ongoing sustainable support for our children and meet their basic needs. Sponsorship gives you an opportunity to develop or continue your relationship with a child at an NPH home. If you would like to sponsor a child, you can sign up online at www.nphusa.org/sponsor or get in touch with your regional contact.

Volunteer: Want to go behind the scenes? We are always looking for NPH supporters to help out by volunteering in the office or remotely. This is a great way to build your resume and fill service hour requirements. Please call or e-mail your regional contact for volunteering opportunities.

Thank you for opening your hearts to NPH and the children! We look forward to having you join us on another trip in the future.

Information on upcoming trips:
www.nphusa.org/travel

Your Regional Staff Contact:

Casey Rector
Development Coordinator, NPH USA
e-mail: crector@nphusa.org
Phone: 617.206.4940

Join us online:

We invite you to stay connected with us through Facebook, Twitter, and Instagram to help spread awareness about our children and share your experience at an NPH home! Please also subscribe to our YouTube channel and our blog, and follow us on LinkedIn.

Stay Connected with NPH USA

Join an NPH USA Program

Our NPH USA programs offer you the chance to stay connected with others engaged in NPH USA:

Youth Ambassador Program: We encourage everyone to stay involved upon their return from NPH! Our Youth Ambassador Program is ideal for middle and high school students, incorporating fun, simple ways to support and spread NPH awareness. This program will also provide you with an opportunity for required service hours while building up your college resume. Contact your regional representative and check out the program at www.nphusa.org/youthambassador if you are interested!

Child Sponsorship Ambassador Program: Whether you sponsor a child or love the idea of it, we are always looking for advocates to promote child sponsorship. The relationship between a child and their sponsor is filled with unconditional love for both parties. If you are interested in sharing information about child sponsorship with friends and family, please contact your regional contact or visit www.nphusa.org/manesponsorshipambassador.

Connect Your Community

On a recent trip to an NPH home, one of the NPH National Directors said, "Now that you know the world's best kept secret, don't keep it to yourselves!" Introduce your networks to NPH USA and help spread the love for our NPH children:

Spread Awareness in your School: Connect us with your school's administration team, Spanish teachers or department head, and anyone else at your school who might be interested in incorporating NPH into their curriculum through visits, trips, or child sponsorship. A great way to connect is to simply write an email introducing NPH to your teacher or administration member and put your regional contact on copy. We can take it from there!

Spread Awareness in your Church: Connect us with your church's pastor, religious studies head, faith formation head, and anyone else at your church who might be interested in bringing NPH to your church community. A great way to connect is to simply write an email introducing NPH to your church connection and keep your regional contact on copy. We can describe different NPH opportunities for churches following your introduction.

Attend an Event

Please attend an upcoming event, invite your friends, and spread the word!

Pints for Pequeños

June 6th, 2019

Harpoon Brewery Tasting Room

www.nphusa.org/pints
